| PE | Athletics: <ul style="list-style-type: none"> - Long and short distance running techniques - Throwing techniques - Jumping techniques |

Additional Information

PE will take place on **MONDAYS AND WEDNESDAYS**. PE kits need to be kept in school to help avoid children missing lessons due to a lack of kit. Children should have pumps for indoor PE.

Homework for both English and Maths is given out on a **Friday** and needs to be returned by **Wednesday** of the following week. Learning Logs will be given out EVERY OTHER **Friday** to be returned the following **Friday**.

Mathletics and Spelladrome are a fantastic way to practise basic skills and your child's activity will be monitored by the class teacher. Children should be using these for ten minutes every day. Mathletics hour takes place 6pm to 7pm every Thursday. Please encourage your child to log on at this time.

Spelling tests will take place on **Fridays** and spellings will be set on **Monday** to be learnt for the test. Children are expected to read for half an hour either independently or with an adult or older brother or sister. This will hopefully encourage them to read for pleasure and show them the enjoyment they can get from reading.

We are using **Seesaw** daily in class. Passwords have been sent home with the children. Seesaw gives your child a safe space to document their learning and progress. When items are added you are notified on the app. Please ensure you are looking at this regularly to help the children evaluate their own learning.

Children should be using **Reading Plus** at home for 15 minutes three times a week as part of their homework. Thank you for co-operation and support.
