

A little bit ABOUT ME

Name: Linda Bannister

The one thing that you wouldn't guess about me is that I am quite daring. I will try things most people my age would avoid, including roller coasters, water rides and harness wearing activities such as zip wire and giant swing. I have always led an active life by keeping fit, attending gym classes and eating healthily (mostly). This year I amazed myself and my family by completing the 'Couch to 5K' program with Mrs Henesy. We did our first 5K Parkrun the week before 'Lockdown' at Stadt Moers Park and hope to do another one soon. I live in Huyton with my husband and two grown up daughters.

My LIKES

Subjects: Maths & Science
 Number: 10 Prime: 37

 Hobby: Keeping fit, Being creative
 Animal: No pets for me although we had Phoebe the Fish for while thanks to a Year 6 pupil! Long story
 Animal in a Zoo - Elephant
 Musical: Beauty & The Beast
 Holiday: Florida

My SCHOOL HISTORY

From when I was aged 10 and in Year 5 (we called it 3rd Year Juniors) at St Francis de Sales Catholic Junior Girls School (no boys), I decided that I wanted to be a teacher - it took me 27 years to achieve this dream. After university I worked for an insurance company, which I loved, and where I met my husband. After having my two daughters I went back to train as a Primary Teacher at Liverpool Hope University College and graduated in 2000.

I began my teaching career at Our Lady's Catholic Primary School in Prescot and had 6 very happy years there before being promoted to my current position. I have been in post as the Deputy Headteacher since 2006. I have mostly taught Year 6 but loved teaching Year 4 last year.

My DISLIKES

Discrimination
 Unfairness
 Unkindness
 Injustice
 Disadvantage
 Negativity
 Rudeness
 Mashed potato
 Tuna (smell and taste)
 Freezing cold
 Dark nights

My LIFE OUTSIDE OF SCHOOL

My family are all very close and enjoy spending time together including going on holiday. We have had many adventures visiting different countries. We are particularly good at quizzes, which has been very useful during lockdown. My husband has passed his love of Liverpool Football Club onto the girls so much so that there seems to be a green screen on our TV at the times when they are not at Anfield watching from The Kop.

In a world where you can be anything - be kind.
