My **SCHOOL HISTORY**

I have been at St. Anne's Catholic Primary School for four years. Before this I taught at Huyton with Roby for eleven years, Farnborough Road for one year and St. Winifred's for one year. I am the Science leader at school and like to plan fun activities for Science. I wanted to be a Primary School teacher from when I was in Primary School myself - I feel privileged to be your teacher.

My **DISLIKES**

To be honest I find it difficult to think of things that I don't like. I confess that I am not a football fan - but couldn't say I dislike it. I guess I dislike tomatoes and garlic. I also dislike it when I see people treated unfairly or unkindly or if I know that someone is upset I cannot help them.

My **LIFE OUTSIDE OF SCHOOL**

When I am not in school I love to spend time with my Mum, my two sisters, my nephew and niece who all live in Southport. I spend a lot of time at my church and with my friends. I like to go for long walks. Some of my favourite walks are in the Lake District and Ingleton Waterfall Walk. I have three cats (who are all a bit lazy) and a rabbit at home. I love listening to Audio Books.
