My **SCHOOL HISTORY**

Before working at St Anne's Catholic Primary school I worked as a supply teacher in many different schools across the North West.

I have been at St Anne's Catholic Primary School since 2018 and I feel lucky to be part of our wonderful school community. I was the class teacher in year 6/5 in my first year and then I moved to year 4.

I am looking forward to learning about our new class country - South Africa.

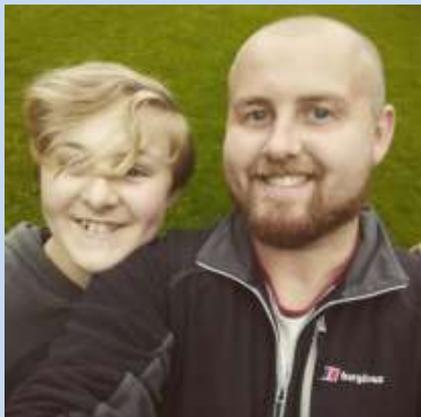

My **DISLIKES**

I would say that I dislike losing. I am quite a competitive person and I struggle with defeat. If I am beaten at something I will make sure to get better at it in an attempt to avoid defeat in the future!

I definitely dislike people not using manners because they are very easy to use.

My **LIFE OUTSIDE OF SCHOOL**

I have lots of hobbies outside of school. I like eating out so that I can try interesting new meals that I have never eaten before. Then I like to go on a long walk to make up for it.

I am a very sociable person and I like to keep my friends and family close by. I am always happy in the company of those that I love, regardless of what I am doing.
