## January 2021 - Covid-19

Dear Parents/Carers,

Following the Prime Minister's announcement last night, you will now know that he has said that from today, children's learning will now take place remotely. Please see the letter that was sent out last night in regards to remote learning. I know how frustrating this is again for all of our families, but be reassured that we will stay in contact with our whole school community and do the best for all our children. A poll has been sent out today through our 'app' to reassess what you may or may not have access to in the coming weeks. Please just help your child with the remote learning if you need to and try not to become frustrated. A member of staff will always be available for feedback or to answer questions via 'seesaw'. For families who do not have access to the internet, provision will be made for them.

Thank you to everyone who filled in the Key Worker/Vulnerable survey yesterday and currently there has been a high volume of interest in this. **Please remember that these places should only be accessed if you have no other option. Evidence of Critical worker status must be provided by the end of the school day on Thursday.** In order to plan for this and numbers can you please email school in advance of attendance so that we know definitive numbers each day (one email for the week will be fine) [stanne@knowsley.gov.uk](mailto:stanne@knowsley.gov.uk) . If you no longer require a place please inform us. Families who filled in the survey yesterday should have received a letter last night or indeed in the early hours of this morning. If your plans have changed following last night's announcement please do let us know.

To think that only a few weeks ago we had so many smiling faces in school, **but the announcement last night, should not be taken lightly and was made to prevent the spread of this virus and to make sure that we can return to some sort of normality as soon as possible.** We are looking forward to the safe return of all our children to school and we look forward to seeing them all back in school, but for now we must follow the government advice. We will endeavour to update you regularly through our normal channels: website, twitter, Seesaw and our school 'app'.

Yours sincerely,

*L Anderson*

Mr L Anderson  
Head teacher

*L Bannister*

Mrs L Bannister  
Deputy Head Teacher
