## St Anne's Catholic Primary School - Weekly News

### Weekly message from Mr Anderson

Families,

I hope this week has enabled our children to become more familiar in their new settings and working in new areas. Our staff have been impressed with the efforts within the classroom. This week we have started extra-curricular clubs and more will follow in the coming weeks. Meet the teacher sessions will take place next week but will be held on Zoom as Health and Safety have advised against holding such events inside at the current time. Please see dates and times for these in this newsletter. I would also like to hold a meeting about the traffic around school in the mornings and afternoons and how as a school we can be more pro active in dealing with this problem and finding solutions. Again this will be on Zoom. We are hoping to have some of our children at this as they have already had lots of thoughts. Finally, may I wish all the children the best of luck on making their First Holy Communion on Saturday, we know this will be a proud moment for you and your families.

Take care and God Bless.

Collective Worship focus next week is: Peace

Our RE Focus: Family

St Anne pray for us and our school. St Agnes pray for us and pray for our Parish.
