Welcome back message from Mr Anderson

Dear families,

A very warm welcome back to you all and a Happy New Year. I hope you had a nice break with your families and it was good to see so many happy faces on Wednesday morning with the return to school.

The media over Christmas has been dominated again with news about Covid-19 and the significant rise in cases. Thanks to everyone for being so vigilant and understanding before we broke up and since Wednesday, as we as a school are still being affected by positive cases of Covid-19. We have had to cover staff being off in certain year groups, so please continue to be understanding that certain members of staff may not always be available. There is a national shortage with sourcing cover too, so in the next number of weeks if we are to continue to provide face to face learning, which we intend to do, it may be other members of staff covering. I appreciate your understanding with this.

Finally, our Ofsted report has arrived and it should be available for you to read on our school website and on our school app. We wish to thank everyone who played a significant part in this report and my sincerest thanks go to all our children, staff, governors and families who work so hard to make our school shine—thank you!

To conclude, I have been told that our roof will be complete at the weekend which should see the scaffolding be taken down too (weather permitting). Thanks again for your patience with this too.

Have a lovely weekend and stay safe! Mr L Anderson

Attendance

Attendance at school is mandatory for all pupils and it is so important for children to be in school learning and interacting regularly. It is vital that children are punctual too. Our playground gates will close at 8:50am daily, so children can arrive any time from 8:40am – 8:50am. Good attendance will be celebrated with the best attending class up to half term receiving a half term treat of coming into school in their own clothes and a 'chilled' afternoon. We are currently awarding 100% days by rewarding each class with 50p on a 100% day. This will be counted up to the half term and each class will decide how they spend their money.

Our good grub club—we will aim to work in a café system like we adopt for our breakfast club with children from different year groups working on different tables. The Y3 orienteering will be children working on orienteering skills outside with Mr Rutter please remember warm clothing. The children will start their session in a classroom and then move outside for this.

New Year New You

Why not join us for our **adult** running group from our school around the local area (approximately 5k). Our aim is to build fitness, community and eventually to run in the better weather with our children and complete a Knowsley parkrun together on a Saturday morning.

The group will be open to our parents, staff and the wider community. This week it will be led by the Liverpool Running Bugs - we will also be teaming up with Blacklow Brow Primary School, their staff, parents and wider community. The runs will start at 6:30pm - please remember to wear bright colours and lights if you are joining up with us. If running is not for you, at the same time we have Yoga sessions in the school hall on Wednesdays 6:30pm. #newyearnewyou
