Weekly message from Mr Anderson

Dear families,

This week has been busy in terms of end of key stage assessments returning and extra sessions for children before school. I decided to ask some of our Y6 children to write about their week in school.

SATS Week

This week the Year 6 children had SATS. We had to come in earlier than the rest of the school (8.15am). We had six different tests, three Maths tests and three English tests. Every day we could have toast and juice before SATS started. We would go into the 6/5 class to hear the instructions and then we split off into different groups. After each paper we were able to have some sweets and we had a treat on the first day (a cookie). After each paper we went outside and played on the field. We also could colour in (mindfulness colouring), if you would like to. On Wednesday we did some Yoga before our other test. For us we felt it was quite easy and they were fair tests.

By Isabelle, W, Isabella S, Lola and Maiya in Year 6

Thanks girls for an honest account, you were all amazing this week—well done!

Please see the information about our summer fair and see if we can make this day a success in the community.

Have a lovely weekend, **Mr L Anderson**

Children who are regularly late miss key elements of learning, which when built up over a long period, gaps in certain areas are noted. Thanks for your support in ensuring your child is in school for **8:50am**.

Sports for Champions

St Anne's Catholic Primary School will have an inspirational visit from the UK and European Champion Scooter Rider, Jamie Hull on the **27th of June 2022**.

<https://www.sportsforchampions.com/jamie-hull>

Our pupils are invited to join a sponsored fitness circuit led by a professional athlete, who will educate, enable, and empower participants with a view to inspire them as champions of tomorrow.

Sports For Champions events are held in support of schools, which keep 60% of the funds raised to spend on resources that will enrich young peoples' education/experience. Professional athletes in need of support are the only other beneficiaries from the remaining 40%.

During the assembly, Sports For Champions athletes show medals and tell their story. Athletes discuss challenges on the road to success, with resilience, nutrition, diet, and dedication forming key topics. Fitness is essential for every young person's general wellbeing in physical and mental health. It is also proven to be a strong booster of learning potential or brain power. By inspiring children as champions of tomorrow, Sports For Champions envision youth growing in all walks of life as healthy, active, community-minded talents.

Your child will shortly receive a Sponsorship form to allow them to gain sponsors for their efforts in the Fitness Circuit led by Jamie Hull.

Details about the collection of Sponsorship will follow in next week's Newsletter. Keep an eye out for updates on Seesaw and our App too.

Writing and PE Workshops for Parents

Y6 Friday 20th May

On the above date we will be holding a PE and writing workshop for parents from Y6. This is a great opportunity to see how 'writing' is taught in UKS2 and to have some fun in a PE session with Mr Rutter. It will be held from 9.00-10.15 am and a light breakfast will be provided.

Please phone the school office on 0151 477 8260 to confirm your attendance (mum, dad, uncle, aunt, granny, grandad).

Y6/5 enjoyed their sessions today—well done to all who attended. A big thank you to Mrs Reale-Smith and Mr Rutter for showing our families how PE and writing is taught at school.

1st - 31st May: NATIONAL WALKING MONTH

Walking is a great way to keep healthy and active and maintain a healthy heart as it is fun, flexible and free.

Our Y6 children have been helping the rest of the school fill in their travel trackers to track how we get to school each day. The emphasis of this is to make sure that children are active on their way to school.

School Dinners

Week commencing Monday 16th May we will be on week 1 of our new school dinner menu, which can be viewed on the app or school website:

RECRUITMENT FOR BOY & GIRL CHORISTERS 2022

Do you know a child who would like to be a chorister at the Metropolitan Cathedral of Christ the King here in Liverpool?

The search is now on for our next generation of Boy and Girl choristers.

We are recruiting

- BOYS currently in year 2 & 3
- GIRLS currently in year 5

All choristers are educated at Runnymede St Edward's Catholic Primary School (Boys, yr 3-6) and St Edward's College (Boys & Girls, yr 7-10) meaning that a first class Catholic chorister education for boys and girls in Liverpool is available at no cost.

If you know of a Catholic family who might be interested in this wonderful opportunity, please share this information with them.

CAFOD Collection

Throughout Lent our aim was to raise money for CAFOD. We collected small change in our classrooms, completed the Walk Against Hunger Challenge and Year 4 held a school enterprise. We have raised an incredible amount of £1689.26 that will help to make a difference to those in need. Thank you to all of our families for your support!
