Welcome Back message

Dear families,

It is great to be back to school after our lovely half term break and to see the children settle straight back into school has been fantastic. This week we have had many events (as mentioned above) in the highlights, our children when out on visits have been fantastic ambassadors for the school—thanks for setting a wonderful example.

A big well done to Mrs Reale- Smith and staff in Upper Key Stage 2, as this week writing in Y6 was moderated by the Local Authority. The children and staff have worked so hard for this - well done! Also our Key Stage 1 team and our Year 1 children for working so hard with their phonics screening assessments deserve a mention. We are so proud of them all.

We have tried to add in dates for school outings to the back of this Newsletter, so as a school community you know what is coming up for each Key Stage and class. We have booked in KABS to provide even more excitement for our children in July and they will assist with our school fair. They will stay late for two nights in July 8th and the 15th July to prepare our Y3s and Y4s for residentials in Years 5 and 6 (more details will follow on this).

Please can I remind everyone that full school uniform is needed for the last half term as we have noted children returning wearing nail varnish and ear rings and not wearing the correct footwear. The uniform policy is on our school website for you too check.

You will note that next week (starting Sunday) is National Sports week and we want everyone to get involved. Sports Day will be on Tuesday (weather permitting). Key Stage 1 and EYFS will be in the morning (starting 9:30-11:30am) and Key Stage 2 in the afternoon (1:00pm to 2:50pm). Parents can come along to watch if they want but are asked to not take pictures or film any of the children. There will be a dedicated area for parents to watch. On the day there will be different events taking place with children working in their house teams. We are hoping to sell tea and coffee for adults with some of our PTA on the day. We have also booked in the schools meals service to visit us on the 28th June to sample some of their meals at 4:30pm. If you would like to attend please let our school office know.

You will note there are lots of exciting events coming up in a busy half term please check details in the newsletter. Have a lovely weekend everyone—Mr Anderson

Children who are regularly late miss key elements of learning, which when built up over a long period, gaps in certain areas are noted. The Adam Ellison foundation Visit

The Adam Ellison foundation came into our school to speak to us about Knife Crime. The talk was very informative and taught us a lot about the dangers and consequences of knife crime and carrying knives. They told us about how to avoid people who do carry knives and taught us a lot.

Sports for Champions

St Anne's Catholic Primary School will have an inspirational visit from the UK and European Champion Scooter Rider, Jamie Hull on the **27th of June 2022**.

<https://www.sportsforchampions.com/jamie-hull>

Our pupils are invited to join a sponsored fitness circuit led by a professional athlete, who will educate, enable, and empower participants with a view to inspire them as champions of tomorrow.

Sports For Champions events are held in support of schools, which keep 60% of the funds raised to spend on resources that will enrich young peoples' education/experience. Professional athletes in need of support are the only other beneficiaries from the remaining 40%.

During the assembly, Sports For Champions athletes show medals and tell their story. Athletes discuss challenges on the road to success, with resilience, nutrition, diet, and dedication forming key topics. Fitness is essential for every young person's general wellbeing in physical and mental health. It is also proven to be a strong booster of learning potential or brain power. By inspiring children as champions of tomorrow, Sports For Champions envision youth growing in all walks of life as healthy, active, community-minded talents.

Your child will shortly receive a Sponsorship form to allow them to gain sponsors for their efforts in the Fitness Circuit led by Jamie Hull.

Details about the collection of Sponsorship will follow in next week's Newsletter. Keep an eye out for updates on Seesaw and our App too.
