Key Stage 2 SATS Assessments 2020

In 2020, Year 6 SATs assessments will take place from Monday 11th May to Thursday 14th May - please ensure your child is in school on these dates.

Slapped Cheek Syndrome

We have had several cases of slapped cheek in school in the last week. Please note that we will not exclude a child from school for this, as by the time the rash appears they are no longer contagious. Please do inform the office if your child has symptoms of slapped cheek, as we will keep records of how many children are affected.
