Dear Parents/Carers,

24th April 2020

I hope everyone has had a wonderful Spring break together spending time with your families. I would like to say a big welcome to the start of the Summer term. I am sure you will all agree that we are currently living in strange and unprecedented times. Thank you for all following the government guidelines and staying safe over the last few weeks. All our staff are missing seeing our wonderful children and families.

You will all be aware that we are continuing to use Seesaw to post activities for our children to complete. **As mentioned previously, please do not feel it compulsory for all tasks to be completed, however we would like to 'touch base' with everyone and make sure that we are still in contact.** Please note that our weekly newsletter will be sent through our school app on a Friday and it will also be accessible on our website. In this week's newsletter, you will see some of the new national online platforms that can be accessed to assist parents at home. We are constantly updating our Twitter feed and if you do not follow our school please do, as you will see challenges posted and the wonderful work that is taking place in different year groups across the school. Our twitter handle is @StAnnesKnowsley As well as Seesaw, Twitter is an excellent way to stay connected as a school community.

Next week we will be sending out mini reports for the Spring term as our parents review meetings had to be cancelled due to COVID-19. We have also sent information and a video to our nursery children and their families who were due to start their 30 hour sessions.

Please keep in touch through Seesaw and email the school if you need assistance with anything. Our school office will still be open for phone calls from 8:30am – 1:30pm while we provide essential childcare for the children of our key workers. We will endeavour to update you with information over the next few weeks and will keep in contact with our new Reception families and provide information for our Y6 children who will be transitioning to Secondary settings in September. Religious updates are posted through Twitter and Father Anton has been posting a weekly message on YouTube, which we share on Twitter.

Please keep in touch, stay safe and let us virtually stay together as one big St Anne's Catholic Primary School family.

Yours sincerely,

*L Anderson*
