St Anne's Catholic Primary School - Weekly News

Highlights of this week

Summer Term began with home schooling continuing for most and we have had lots going on:

- We continue to be inspired by the many selfless acts of kindness during the current Covid 19 situation and none more so than that of the wonderful Captain Tom Moore. As I am sure you are all aware Captain Moore will shortly be celebrating his 100th birthday and has so far raised over £28 million pounds for NHS Charities by walking. What a magnificent man. In celebration of this children in year 3 wrote newspaper articles, made him birthday cards, designed medals for his achievements and one pupil even made a birthday cake to celebrate. Year 6 and 6/5 researched his inspirational life. [#sacpskenglish](#) [#sacpskinspire](#)
- The weather has been wonderful, the bunting came out and children have been celebrating the Queen's 94th Birthday with tea parties in the garden. KS1 made cards and decorated crowns and Year 5 enjoyed finding out about her life. [#sacpskhistory](#)
- Children took part in the 'School Games—Keep Your Spirits up Keepy up Challenge' encouraging children to keep active. [#sacpskactive](#) [#sacpskinspire](#) [#KeepYourSpiritsUp](#)
- It was the 50th anniversary of 'Earth Day' on Wednesday. Children were busy researching how to make our planet cleaner and greener and pledging ways they would help to tackle climate change. One child even made a fantastic Lego model to represent Earth Day. [#EarthDay](#) [#SacpskGeography](#)
- St Georges Day was on Thursday and some of our children researched the Patron Saint of England and one of our new house teams. [#sacpskre](#)
