## St Anne's Catholic Primary School - Weekly News

### Highlights of this week

- This week the St Anne's Catholic Primary School focus was: motivation. Mr Waine set us another motivational challenge this week to tackle the burpee challenge. How many could be completed in 26 seconds. Some fantastic efforts, well done those who participated. [#sacpskPE](#) [#sacpsk](#) [#sacpskChallenge](#) [#keepactive](#) .
- This week children have been thinking about Pentecost. KS1 have been retelling the story by making storyboards and flame headbands and windmills to show how the Holy Spirit is with them. Year 4 described artwork based on Pentecost and then created their own piece. They made sure to include features which were common across the artwork they researched. - Lions and Tigers children worked hard this week producing some excellent pieces of work. They have been using Oak National Academy to read 'Little Red Riding Hood'. They used story maps and describing words to retell the story. They also researched the Seasons.
- Year 6/5 and 6 were working on point perspective in Art and created some beautiful pieces [#sacpskart](#) [#sacpskinspire](#)
- KS1 children enjoyed a challenge set by @SIL\_schoolfood (School Improvement Liverpool) by trying to eat the colours of a rainbow in their diet. A fantastic way to eat healthy and get more fruit and vegetables in our diets whilst having fun. [#sacpskinspire](#) [#sacpskdt](#)

*If you would like to arrange a telephone call with one of the team of parent support workers, please contact the free phone number 0800 073 0043 and ask for Parenting Support. Your details will then be given to the Early Help Hub and someone will call you back.*
