St Anne's Catholic Primary School - Weekly News

Highlights of this week

- This week Mr Waine challenged us to see how many press ups we could do in 26 seconds. There were some excellent efforts from Year 6. Well done for keeping active. [#sacpskpe](#) [#sacpskY6](#) [#sacpskchallenge](#) [#sacpskwainesworld](#)
- Year 6 have been busy this week, as along with Year 6/5 they produced some outstanding pieces of art work. Why not look at our Twitter feed to see these wonderful pieces. They are very talented. [#sacpskart](#) [#sacpskinspire](#) [#sacpskartgallery](#)
- Some more of our talented pupils earned a Blue Peter Music Badge designed by Ed Sheeran. What a wonderful achievement! [#sacpskinspire](#) [#sacpskmusic](#)
- Children learning from home continued to use the excellent online resources to them. This week Lions were using Oak National Academy and to produce story maps for 'Hansel and Gretel'.
- Year 4 read stories based on Peter and John. They then created a character sketch and described the two men. As a class they concluded they were unafraid, brave and determined to spread the good news. [#sacpskRE](#)

Messages of Thanks

During Mental Health Awareness Week, we've been spreading Kindness to our community thanking them at this unusual time. Here are some of the children's messages of thanks from Year 6/5.

Joshua Phillips:

Writing a thank you letter.

Thank you to the NHS for all your support and kindness in this tough time. Thank you for all your help and love. You are so loyal to us. You all look after us in this COVID-19 pandemic.

Remember, not all superheros wear capes!

Joseph Burgess:

Thank you NHS staff for saving lives and not just thinking about themselves but saving everyone's lives so we can feel better again. Thank you all the nurses and doctors working on the front line. Thank you all the doctors that are putting themselves at risk to care for others. Thank you all those working in the background; office staff, porters, cleaners and lab staff (my mum!) and everyone else who works for the NHS or is a care worker.

Lewis Hughes:

Thank you letter

Thank you NHS for helping our world, you are amazing because you have been making everyone better, we really appreciate you helping over covid-19.

Thank you teachers for helping us learn and be happy you are always around us when we are sad

Father Anton will be recording a weekly Sunday message. You can see last week's message on our Twitter page or the Parish Facebook page. We will also share forthcoming messages.

Good Luck Mrs Williams

Mrs Williams our Year 3 teacher and Art lead will be starting her maternity leave over the half term break and I am sure you will join with us in wishing her the very best of luck as she prepares for the birth of her baby. A big thank you from the whole St Anne's Catholic Primary School family and we look forward to seeing you back in school with your new baby. Enjoy this very special time in your life! Miss Jarvis will be joining us for the half term to conclude the rest of the academic year with Y3. She will be sending a video through seesaw to introduce herself to Y3 and their families.

Half-term

As stated last week, Virtual School will stop over the half term break and commence again on Monday 8th June. This will enable our staff and our families to have a break from school activities, please don't despair as there are special tasks set to keep you busy over the break. There is our amazing 'Laudato Si Project - Our Common Home' which links to looking after our wonderful world and activities for many different subjects. Combined with this is 'The St Anne's Catholic Primary School 100 challenge' this links to our love of travelling to a sunnier climate. However, due to current government restrictions we can't... so we are inviting you to take part in our challenge - and walk or run there. Please check this out and get involved: our staff, governors, children and parents will be getting busy travelling a combined 1634 miles to Nice and back before the 8th June. Are you up for the challenge???? #sacpsk100

Thursday's Letter

Following on from Thursday's letter from Mr Anderson we will be contacting Key Worker families the week beginning the 1st June to see if you will need to book into our childcare facility from 8th June. All previous identified key workers who filled in our original questions on the app have been contacted as to future childcare needs as have key workers who have been using our childcare facility. If you have any questions over the half term break please email our school stanne@knowsley.gov.uk

If you are looking for some inspiration or guidance whilst home schooling please see the following links to websites that have recently been launched. Oak National Academy and BBC Bitesize have a range of video lessons as well as live shows which are updated daily. Children can access lessons from people such as Sir David Attenborough and Professor Brian Cox.
