## Home learning experience!

I think home learning is a great way to experience learning!!

We get to spend more time with our family too. I have enjoyed home learning although I miss school. It has been a great opportunity for us.

Newsletter- What have you been doing during home schooling?

On my first day on home schooling I was very excited to start a new way of learning from home but at the same time I was sad because I couldn't see my friends! But I have learned a lot of new fun things to do when I was finished with my school work for the day, I helped cleaning, I helped cook and I even made dinner everyone day for my mum and dad!

WE CURRENTLY HAVE A LIMITED NUMBER OF PLACES AVAILABLE IN OUR NURSERY FOR SEPTEMBER 2020. WE ARE NOW ABLE TO OFFER 30 HOUR PLACES. PLEASE CALL US ON 01514778260 8.30— 1.30PM OR EMAIL THE SCHOOL ON STANNE@KNOWSLEY.GOV.UK FOR FURTHER INFORMATION.

## 'Laudato Si' Project - Our Common Home

Our goal as a school was to run/walk a combined total of 1634 miles over the half term which would enable us to virtually travel from Liverpool to Nice and back. It was a big challenge and in order to achieve our goal we needed pupils, guardians, staff and governors to get involved.

A Nice update. I can announce that the official number of miles we covered was 2141 miles. Children 715, parents 680, staff 559 and governors 187. A huge congratulations to everyone, it really shows that seemingly impossible tasks can be achieved if we work together!
