## Statement of intent

At St Anne's Catholic Primary School, we understand the need to continually deliver high quality education, including during periods of remote learning – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote learning, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

### Legal framework

- 1.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

  - DfE (2020) 'Adapting teaching practice for remote education'

## 2. Contingency planning

- 2.1 The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 2.5 The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

**Tier 1 local restrictions**

- 2.6 The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

**Tier 2 local restrictions**

- 2.7 **[Primary schools]** The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time.

**Tier 3 local restrictions**

  - **Provide workbooks for Y1-Y6**
  - **Provide work packs if families do not have access to devices/internet**
- 3.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.
- 3.4 When teaching pupils who are working remotely, teachers will:
- Set assignments/tasks so that pupils have meaningful and ambitious work each day.
  - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
  - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
  - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.

- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
  - Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.
- 3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the **headteacher** will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.8 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 3.9 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
- Pupils in Years 3 to Y6
  - Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice

- 3.10 Before distributing devices, the school will ensure:
- The devices are set up to access remote education.
  - Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.
- 3.11 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

#### 4. Returning to school

- 4.1 The **headteacher** will work with the LA to ensure pupils only return to school when it is safe for them to do so.
- 4.2 After a period of self-isolation, or the lessening of local lockdown rules, the **headteacher** will inform parents when their child will return to school.

**24a. Use of technology for online / virtual teaching**

The narrative of section 24 remains relevant. However, there has been a sharp increase in the use of technology for remote learning since March 2020 and this addendum provides some basic guidelines for staff and school leaders. All settings should review their online safety and acceptable use policies and amend these if necessary, ensuring that all staff involved in virtual teaching or the use of technology to contact pupils are briefed on best practice and any temporary changes to policy / procedures. When selecting a platform for online / virtual teaching, settings should satisfy themselves that the provider has an appropriate level of security. Wherever possible, staff should use school devices and contact pupils only via the pupil school email address / log in. This ensures that the setting's filtering and monitoring software is enabled. In deciding whether to provide virtual or online learning for pupils, senior leaders should take into account issues such as accessibility within the family home, the mental health and wellbeing of children, including screen time, the potential for inappropriate behaviour by staff or pupils, staff access to the technology required,

*This means that senior leaders should:*

- ✦ *review and amend their online safety and acceptable use policies to reflect the current situation*
- ✦ *ensure that all relevant staff have been briefed and understand the policies and the standards of conduct expected of them*
- ✦ *have clearly defined operating times for virtual learning*
- ✦ *consider the impact that virtual teaching may have on children and their parents/ carers / siblings*
- ✦ *determine whether there are alternatives to virtual teaching in 'real time' – e.g., using audio only, pre-recorded lessons, existing online resources*
- ✦ *be aware of the virtual learning timetable and ensure they have the capacity to join a range of lessons*
- ✦ *take into account any advice published by the local authority, MAP or their online safety / monitoring software provider*

*This means that staff should:*

- ✦ *adhere to their establishment's policy*
- ✦ *be fully dressed*
- ✦ *ensure that a senior member of staff is aware that the online lesson / meeting is taking place and for what purpose*
- ✦ *avoid one to one situations – request that a parent is present in the room for the duration, or ask a colleague or member of SLT to join the session*
- ✦ *only record a lesson or online meeting with a pupil where this has been agreed with the*

etc. Virtual lessons should be timetabled and senior staff, DSL should be able to drop in to any virtual lesson at any time – the online version of entering a classroom.

Staff engaging in online learning should display the same standards of dress and conduct that they would in the real world; they should also role model this to pupils and parents. The following points should be considered:-

- ✦ think about the background; photos, artwork, identifying features, mirrors – ideally the backing should be blurred
- ✦ staff and pupils should be in living / communal areas – no bedrooms
- ✦ staff and pupils should be fully dressed
- ✦ filters at a child's home may be set at a threshold which is different to the school
- ✦ resources / videos must be age appropriate – the child may not have support immediately to hand at home if they feel distressed or anxious about content

It is the responsibility of the staff member to act as a moderator; raise any issues of suitability (of dress, setting, behaviour) with the child and / or parent immediately and end the online interaction if necessary

Recording lessons does not prevent abuse. If staff wish to record the lesson they are teaching, consideration should

*head teacher or other senior staff, and the pupil and their parent/carer have given explicit written consent to do so*

- ✦ *be able to justify images of pupils in their possession*

*This means that adults should not:*

- ✦ *contact pupils outside the operating times defined by senior leaders*
- ✦ *take or record images of pupils for their personal use*
- ✦ *record virtual lessons or meetings using personal equipment (unless agreed and risk assessed by senior staff)*
- ✦ *engage online while children are in a state of undress or semi-undress*

<p>be given to data protection issues; e.g., whether parental / pupil consent is needed and retention / storage. If a staff member believes that a child or parent is recording the interaction, the lesson should be brought to an end or that child should be logged out immediately. Staff, parent and pupil AUPs should clearly state the standards of conduct required. If staff need to contact a pupil or parent by phone and do not have access to a work phone, they should discuss this with a senior member of staff and, if there is no alternative, always use 'caller withheld' to ensure the pupil / parent is not able to identify the staff member's personal contact details.</p>

## **Remote Learning Made Simple**

### **Scenario One:**

Child/children self-isolating – work will be set through our online platform 'Seesaw'. An option of work pack if a child or family prefer this option. Work packs are available by contacting school through 'Seesaw' or our school email address [stanne@knowsley.gov.uk](mailto:stanne@knowsley.gov.uk)

- Marking/feedback is through 'Seesaw' to completed tasks
- An outline of the school week posted on 'Seesaw' with video links for lessons where possible
- Wellbeing phone call(s) from our learning mentor or a member of support staff to check in with child/children who are 'self-isolating'

### **Scenario Two:**

Whole class bubble/bubbles sent home – children set work on 'Seesaw' (our remote learning platform)

- An outline for the day and week ahead (with videos to guide and link to lessons) posted on 'Seesaw'
- Feedback given by staff on this platform to children
- Wellbeing calls and video instructions are regular
- Families who have no access to the internet or device - work packs are given. CGP workbooks sent to each class

### **Scenario Three:**

In the event of a whole school lockdown, in which the school is only open for key workers/vulnerable children

- Remote learning will be posted through 'Seesaw'
- Daily and weekly tasks are posted on this platform
- Regular feedback from staff
- Regular wellbeing contact will be made to our children either through 'zoom' sessions or regular phone calls.
