St Anne's Catholic Primary School - Weekly News

Highlights of this week

- Lockdown learning got underway with children completing Miss Harrison's baking challenge. They produced some delicious looking bakes, tortillas, banana boats and fruit kebabs to mention a few. Well done to everyone who participated. [#sacpskdt](#)
- Families stayed active by getting involved in @cbbc lockdown learning with Marcus Rashford who was the P.E. Celebrity Supply Teacher [#sacpskactive](#) [#sacpskpe](#)
- We have been really impressed with efforts from pupils using 'Seesaw' for their remote learning. A special shout out this week to Jessica Wrigley for her fantastic video explanations.

Children arriving after 8:55am must report to our school office.

COVID 19

If your child is displaying any of the symptoms of COVID 19 please do not send them into school. Please call the school office on 01514778260 to advise us. We must help to stop the spread of the virus by isolating if we have any of the symptoms and seek medical advice.

If there is an emergency out of normal school hours and you need to inform our school of anything as well as emailing our school please email: covid19@stannesprimaryknowsley.co.uk

Knowsley Council: The new variant of COVID is spreading fast and cases are rising across Knowsley. It is important that you follow national lockdown rules. By staying at home, we can protect the NHS. Parents/carers please only send your child/children into school and take up a place if absolutely essential.

Breakfast Club and No Wrap Around Club

Should you need a place for Breakfast Club please book in via our live system on the app. Please only book a place if you are a key worker or your child is classed as vulnerable and it is absolutely necessary and you have no other options. We have to adhere to health and safety and we have a limited capacity therefore places are limited.

Unfortunately due to an unforeseen and unexpected staffing shortage we regret that we are unable to offer our Wraparound Club at present. Please accept our apologies for any inconvenience this will cause, it is beyond our control; we hope you understand. As soon as we are able to offer the facility again we will let you know.

Wonderful Work

In UKS2 we've been so taken by 'The Promise' by Nicola Davies that one of our wonderful Year 6 pupils came up with this tweet summarising a beautiful text. We were lucky enough to receive a reply from the author. [#sacpskreading](#) [#sacpskwriting](#)

Instagram

We have recently launched our Instagram account as another way to communicate with you about all the wonderful things that go on in school and during this time of remote learning. It would be wonderful if you could follow us @stannescatholicprimaryschool. If you have any work to share you can direct message it across or equally tag our username. Thank you so much to those people who have already started following us.

A Message From Mr Anderson

Another week passes and we are still faced with the same situation with restrictions continuing in England, which is understandable given the worrying infection rate of Covid-19 within Knowsley at this time.

As stated **numerous times** over the last few weeks - critical worker/vulnerable places at school are places for if you have no other option. **If there is an adult who can manage your child safely at home—your child should be at home—please respect this.** Thank you to everyone who has been so accommodating over the last two weeks and worked with us to reduce numbers. We are trying to limit the volume of people on our site at any one time, so it is important that you have booked a place in advance which enables us to plan ahead. Currently there is a limit to numbers that we can accept on site. Let's continue to work together and hopefully we will all be back together face to face soon.

On a more positive note our children continue to flourish, working so hard at home and at school which brightens up my day, your efforts do not cease to amaze me and our teachers—keep up with the excellent effort and attitude! A big well done to all our staff and families for helping our children during this 'Lockdown,' you have all been amazing.

A regular Friday 'Zoom' from myself will continue, which will be recorded every week and posted on 'Seesaw'. There is a limit to 100 places available (I am looking at increasing this but have not had any success yet) so when it finishes, I will upload onto 'Seesaw' for all to see.

Thank to all our school community for rallying together again and showing what a fantastic school community we are. Have a lovely weekend together and we will see each other again on Monday.

A St Anne's child is: happy, confident and respectful.
