Updated advice from Knowsley Council advises that Health officials have identified a wider set of symptoms experienced by some people testing positive for COVID-19. They say: Not everyone will suffer from these symptoms, but it is important people familiarise themselves with them and understand what to do if they, or anyone in their household, begins to suffer with them.

The new flu-like symptoms include:

- Body aches
- Headaches
- Sore throat
- Tiredness
- Shortness of breath

Some people may also experience:

- Nausea
- Diarrhoea

If you have these symptoms, Knowsley Council is urging that you book a PCR test either online www.gov.uk/get-coronavirus-test or by calling 119.

Foodbank Donations

A huge thankyou to all our families who donated to the foodbank recently. Your generosity never ceases to amaze us. Donations went off to 'The Big Help Project' who were extremely grateful to our school community. Thank you to Mrs Smithwick and Mrs Osborne for their efforts with this too.

Easter Challenge

Over the Easter holidays you may want to complete the 'Reading Bingo Challenge' set in the activities section on Seesaw?

Trying this activity and completing it could lead to an amazing mystery prize. For a chance of winning the prize you must complete the reading tasks and show evidence by taking photos and adding them onto slide number two.

However, if you happen to only complete one column (either vertical or horizontal) you still have the opportunity to receive a bronze certificate. If you happen to get two or more columns you may receive a silver certificate and if you happen to do all of the boxes you get a prize.

Thankyou from Tess and Ella

WOW

Walk on Wednesdays

The wonderful Spring sunshine this week meant we had lots of walkers on Wednesday. This week the winners of the 'Golden Wellies' were..... our lovely Nursery class. Well Done!!

This week's talk question:

What is your favourite song?

Compare this with your parents/carers favourite.

Dear families,

Over the Easter break, please remember why we celebrate Easter and the important days of the journey to Easter Sunday. Our Come and See Programme in school has enabled our children to learn about Easter and why Jesus died on the cross on Good Friday and rose from the dead on Easter Sunday.

As well as each class creating a 'Station of the Cross' for us to share with you on Good Friday (on our twitter feed @StAnnesKnowsley), we have put together virtual Collective Worships which you can view on 'Seesaw' - we do hope you enjoy them. Please do remember to enjoy your break and to make this Easter a special one by spending time with your close family.

May we all just say thank you to all our staff, children and families for their wonderful efforts since January, providing and engaging in learning opportunities remotely and in school. Since the 8th March, it has been amazing to be back in school and to see happy smiling faces achieving and socialising. We know 'lockdown' (3) has certainly not been easy for anyone and again we would like to thank our families for engaging with us remotely and enabling your child/children to continue with their learning. The Easter break has come at a good time when we can continue to follow The Government rules and hopefully see a decline in the infection rate in Knowsley.

We look forward to seeing you all on the 12th April for the Summer Term and we know that our children will return to school well rested and ready for the final term in this academic year.

Have a wonderful break,

Mr L Anderson
