## St Anne's Catholic Primary School - Weekly News

### Weekly update from Mr Anderson

A shorter week in school passes and we continue to make progress as a whole country in getting back to normality. As mentioned last week, we will match 'The Government' roadmap and we aim to mix more in and around school on the week beginning the 17th May. This week our Year 4 children had their first session in preparation for receiving the Sacrament of the Eucharist delivered by Christine Ball, so a big well done to all of the children and thanks to Christine. There will be another session for our Year 4 children next week in school. Our Reception and Year 6 children also displayed wonderful manners when school health visited, so another big well done to our Y6 and our Reception children!

A few weeks ago you may remember that we mentioned a half term camp will take place (numbers pending) over the half term and be delivered by North West Community Sports; we are pleased to say details will follow on this next week. Mr Rutter who most of you may know will be leading this camp. A shorter message this week from myself but please remember if you are parking near school, please park sensibly and safely. It is so important that we park in sensible, non obstructive spaces and ensure that when driving near school we take care and be conscious of the public walking on pathways. Have a wonderful weekend and stay safe.

Children arriving after 8:50am must report to our school office to sign in.

## WhatsApp

Please read the WhatsApp information on our school website:

<http://stannesprimaryknowsley.co.uk/onlinesafety/for-parents/>

If your child has WhatsApp on their phone it is vital that you check this regularly. While we all recognise how good WhatsApp is, it does have negative points too.

Please discuss the negative points and potential dangers of WhatsApp if not used correctly. We do discuss this in school and when Knowsley CLC visit to assist with computing and online safety with our children.

The link above outlines a lot of information on WhatsApp:

If your child has posted a message in the wrong chat or sent a message that they immediately regret, they can delete it. Tap and hold on the message, choose 'delete' and then 'delete for everyone.' WhatsApp allows seven minutes to delete a message after it's sent – but it's important to remember that recipients may have seen (and taken a screenshot of) a message before it was deleted.
