Children's University Mini Masterclass

Enrich Education and the Children's University are delighted to announce that during this January we will be hosting a virtual Children's University Mini Masterclass.

The Mini Masterclass are free, informal, fun, and engaging online lessons that children can participate in at home during the weekends.

The Mini Masterclass sessions will take place on a monthly basis throughout the year, with a different subject focus every month from Art & Crafts, History, Maths, English and many more. The sessions provide an excellent opportunity for pupils to broaden their knowledge and understanding of a variety of subjects.

January's session will focus on vocabulary, providing participants with a fun, engaging and educational session which will explore: the origin of words; how words can enter and 'fall out of' the language; the building blocks' from which many words are constructed; word 'families'; and some of the quirky and unusual words that feature in the English language. The aim of the session will be to encourage children to take an interest in words and language, to expand their vocabularies and to experiment and have fun with words.

The session will be delivered by Keith McDowall a Merseyside based school literacy consultant and former primary school teacher with decades of teaching experience.

Road Safety

Our children have been thinking about road traffic and their safety. Below is a piece from Nathan in Year 6.

We have also been working with Living Streets and talking about walking to school. Y6 had an online meeting and will be working with the rest of the school in encouraging this. Councillor Malone also visited and joined in. Councillors Malone and Bannon will return next week and work with our children in creating a message advising people where to park near our school and to encourage walking to school.

Taking Care Walking to School :

Take care when walking to school around the busy roads such as Tarbock Road as cars do tend to speed on this road so please be extremely vigilant.

MIND THAT
CHILD!

We should always be cautious on how fast we should be going because if there is a child then you could be putting the child in danger so be cautious.

Be Careful when you drive.

Park Safely.

drive slow.

Go the max speed.

20 mph

We should look for smaller pedestrians.

We should always be careful on how we park our car because if everyone wants to get right outside it is going to be very crowded.

School Dinners

Week commencing Monday 24th January we will be on week 1 of the school dinner menu, which can be viewed on the app or school web site:

<http://stannesprimaryknowsley.co.uk/about-us/school-meals-menu/>

Talk Question

Where can cars park safely outside of school?

Language of the Month

Each month we will have a focus on a different Language from around the world. Language of the Month for January is Polish. Why not try to learn some Polish Greetings

Hello	Cześć
Good morning	Dzień dobry
Good Day	Dzień dobry
Good evening	Dobry wieczór
Good night	Dobranoc

Colomendy

There will be an information meeting via Zoom for Year 5 Parents on Thursday 27th January, 5-5.30pm. If you can not make the meeting don't worry as we will record and upload it to Seesaw/web site.

Weekly Message

Dear families,

For the last two weeks we have noticed a significant improvement in attendance in school with both staff and children being onsite—this has been extremely pleasing. As you know before Christmas we reverted to a bubble system which we have continued with since the start of January. Next week our year group cohorts will mix outside (e.g Year 2s and Year 1s will socialise and play together in their year groups). This week we have discussed traffic especially with our Year 6 children and this will continue next week as we will encourage walking to school, parking safely away from school and walking (park + stride).

We hope by now you have all read our recent Ofsted report which is now on our school website. As a way of acknowledging our report we are having a mini celebration next Friday (28th January). We will be hosting a Mad Hatter's Tea Party in the afternoon which will mean a drink and a cake for all.

Finally, today is St Agnes Day which our children have reflected on. St Agnes has always had a vital link to our school. Happy St Agnes Day!

Have a lovely weekend everyone and we look forward to seeing you all again on Monday. - **Mr L Anderson**
