Weekly message from Mr Anderson

Dear families,

Thank you again for another wonderful half term which ends in the build up to Easter. This week is the biggest week in the Church year, so please do remember why Easter is celebrated. A big thank you to all who attended Collective Worship this week too. This half term has seen so much change especially in regards to Covid-19 and what is expected and again, we have adapted and adjusted for this. We will be working hard to improve attendance across the school (which has been affected by various reasons) when we return.

We have planned out the rest of the year and you will note added dates in our next newsletter for your calendar. For example our community day is planned for Saturday 16th July.

On behalf of the staff I would like to wish you all a safe and peaceful Easter and we will see you all again on Tuesday 26th April.

Thanks and God bless,

Mr L Anderson

Playground Improvements

The hot topic on the school playground at the moment is the need for an improvement to the playground itself. In a bid to raise some much needed funds to go towards improving the facilities, some of the teaching staff, governors and parents are challenging themselves to run the Liverpool Spring 10k in Sefton Park on the 1st May.

The children have come up with some great ideas about what they would like to see in the recreation areas and it would be great to help make some of them a reality.

HOW CAN I HELP?

1. If you can spare a couple of pound, then please donate to our Just Giving page.
2. Sharing the Just Giving link with your network will also go a long way to spreading our message

Why not come and show your support on the day. Details of the race can be found at merseyraces.co.uk

WANT TO GET INVOLVED?

It would be great to see some more parents, and even children, get involved. There is a kids event, 5k and 10k races taking place, so why not challenge yourself and help raise a little bit of money along the way?
