Curriculum Information

- Curriculum outline (on website) details topics/subjects to be covered, together with planned visits/visitors.
- Visits, visitors and living history days enrich the curriculum bringing it to life.

History –The Atlantic Slave Trade.

RE – Come & See, Journey in Love

Relationships and Sex Education

All about love, dignity, trust, tolerance and respect.

Teaching about the ideal. Takes into account:

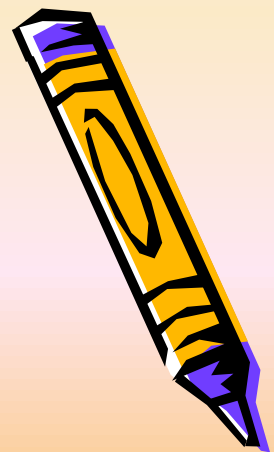

Opportunities and challenges faced in a digital world;

Changing family structures

Changing attitudes to an increased awareness of sex and gender

Done gently couched in the Church's teachings

We will let you know when parts of this curriculum are being taught in advance so you know and can discuss this at home.

Homework

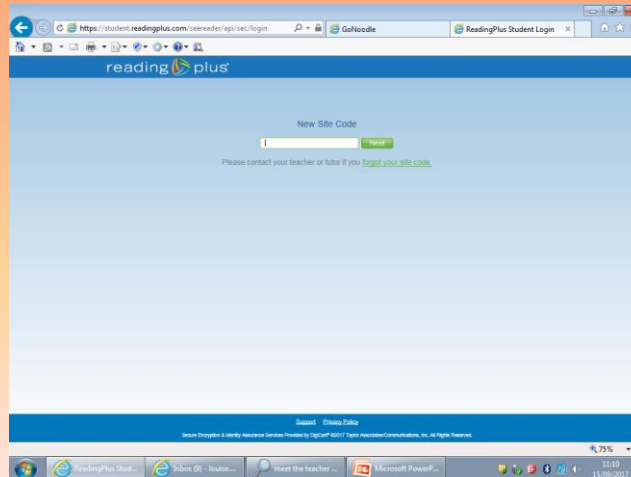

Homework is just one of the ways in which you can help your child to develop confidence, It might help to remember:-

- Homework should be enjoyable rather than a chore;
- It will usually relate to something from class or else be a preparation for a future lesson;
- Homework is set on a Friday for both English and Maths – to be returned the following Thursday;
- Learning Log will be sent home every other Friday (to be returned the following Friday).
- Spellings need practice. Children will have lists on Seesaw.
- Reading Plus, Spelling Shed, Mathletics and Times Tables Rockstars support the work in school. Children have been given their passwords.

Reading

- As part of English lessons children read each day as a class, group or individually.
- Class reading novel
- Whole Class Shared Reading- Steps to Read
- Individual reading – library book
- Reading Plus – Please complete additional readings at home.

Writing

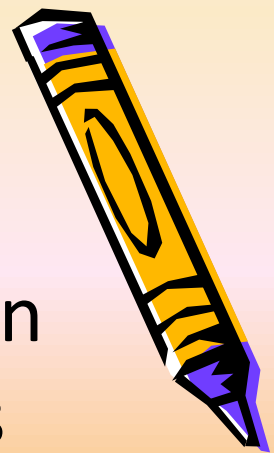

- Writing in English every day but also across the curriculum.
- Joined handwriting is a non-negotiable to be working at Expected level.
- Slow-Writing
- Spelling and Grammar expectations for Y5 and Y6, also need to consolidate LKS2.
- Working on common exception for Y3 and 4, Y5 and 6.
- Exemplification materials- EXP and GDS for Year

Giving children opportunities to work at home.

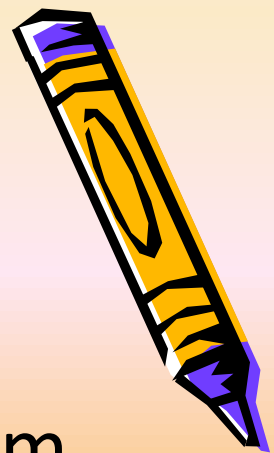

Spelling

- To be working at Expected level children must apply spelling rules from previous year groups in all writing and spell most of their year groups spellings by the end of the year.
- Daily spellings and teaching in class along with weekly spellings for test on Friday.
- This is a real way you can help us- can be a real barrier to children achieving EXP standard.

Mathematics

- Daily lessons to develop fluency, problem solving and reasoning.
- Mathematics
- Booster resources online to support topic areas (SATs style questions)
- Basic skills (Times tables to 12)

Assessment

End of year attainment

Working Towards At Expected Greater Depth

Standardised scores

SATs for year 6 (week beginning 9th May) – they will have plenty of support and preparation.

Finally

Above all this is a partnership between pupil, teacher and parents. We want your child to:

- Be happy at school
- Enjoy being with their classmates
- Be ready and willing to learn
- Explore an exciting, creative and challenging curriculum
- Always remember their last year/years at St Anne's
