Changes To Our School Day

Dear Parents and Carers,

The Department for Education has decided that schools must offer a 32.5 hour week or six and a half hours per day (this now has been delayed to September 2024). In line with this expectation, we have reviewed and consulted with families and staff on our timings for our school day; our school week is currently 50 minutes short of this target.

From September, our school day will change the end of the day timings so that we are meeting the target of 32.5 hours per week. From September our school gates will be open from 8.40am and school will finish at 3.10pm for children to be collected.

We have also taken this decision in line with other schools changing their timings and to ensure that outside our school gates is as safe a place as we can make it. We are also mindful of the local community and to try and maintain good relations with them by not contributing to the increase in congestion that would occur if dismissal times coincide, consequently making it more unsafe for all.

Yours sincerely,

LAnderson
