The battle will end on Monday morning.

The Online World

To support our families navigating the online world for our pupils, Knowsley City Learning Centres have created a set of 'How-to' videos accessible via our school website. They support families to learn how to set up parental controls on tablets and popular social platforms. They will be generating more over the course of the year and adding to the library. To view these videos please click on the link below and scroll to the bottom of the page.

Letter from Mr Anderson

Dear Families,

As we embark on this new academic year, we are delighted to share some notable developments at St Anne's Catholic Primary School. Our Nursery and Reception children have made a seamless transition into our school community, adapting admirably to their new environment. Their enthusiasm and eagerness to learn are truly commendable—well done to you all!

In the spirit of fostering leadership and responsibility, our Year 6 pupils have commenced the application process for playground buddy roles. This initiative not only enhances their personal growth but also contributes to a supportive atmosphere for younger pupils.

Furthermore, we are in the process of forming our new school council. Classes have been invited to nominate representatives, encouraging pupil voice and active participation in school matters.

It gives me great pleasure to commend our pupils for their exemplary manners displayed throughout the week. Such courteous behaviour reflects positively on our school ethos and values.

I would like to extend an invitation to our 'Meet Your Teacher' event, scheduled for Wednesday, 25th September - Key Stage 1 and Key Stage 2 classes. This informal gathering provides an excellent opportunity to familiarise yourself with your child's learning environment and engage with their class teacher. This will be a simple informal event. Face to face Parent Teacher Meetings will take place in November.

Your continued support and involvement in our school community are greatly appreciated. Have a fantastic weekend everyone and lets pray for some better weather.

Mr L Anderson
