Dear Parents and Carers,

I hope this letter finds you all well as we settle into the new academic year 2025-2026. It has been a delightful experience witnessing our pupils return to St Anne's Catholic Primary School, displaying enthusiasm and pride in their new uniforms. The energy and positivity surrounding their return has been wonderful.

I am writing to share some important information about upcoming events which have been listed in our weekly newsletter and opportunities for you to engage with our school community. We are excited about our 'Meet the Teachers' sessions next week, which provide an excellent opportunity for parents/carers to familiarise themselves with your child's learning environment.

For our Key Stage 2 pupils and parents (Y3, Y4/3, Y4, Y5, Y6/5, Y6), we invite you to join us on Wednesday, 24th September from anytime between 3:30pm and 4:30pm. This informal session will allow you to explore your child's classroom and understand the key learning that has already taken place this academic year. Your child's class teacher will be present to answer any general questions you may have.

Our Key Stage 1 (Bumblebees, Dragonflies, Ladybirds) parents and carers are invited to a presentation at 4pm on the same day, focusing on the academic journey for this key stage. Please note that the presentation is for adults and will focus on presenting to adults (children should not attend).

Additionally, for our Early Years parents and carers (Reception and Nursery), we will be hosting a workshop in the school hall on Thursday, 25th September 2025, which will concentrate on phonics and reading strategies to support your child's learning.

Please note that our formal parent-teacher meetings are scheduled for the week beginning 17th November, where you will have a more comprehensive opportunity to discuss your child's individual progress. Early Years (Reception and Nursery) will hold parent meetings at the end of this half term, week beginning 20th October.

We look forward to continuing our collaborative partnership in supporting your child's educational journey.

Yours sincerely,

Mr L Anderson

Head Teacher
