Parking in the local area

The Highways Agency has been in contact with our local councillor Megan Dever, who has recently informed school that they have received numerous complaints regarding parents parking across resident driveways and also using The Rooley, which is permit parking only.

Can we ask for support to work together in keeping peace in our local community.

If we could encourage families to walk to school and to also make use of the new path connecting Twickenham Drive and Acacia Avenue.

Persistent Lateness

Consistent lateness means your child is missing key teaching time, which can affect their progress and confidence in learning. Research and national guidance highlight that pupils who arrive late regularly are at risk of falling behind their peers.

We kindly ask for your support in ensuring that your child arrives at school on time every day. If there are any challenges affecting punctuality, please contact us so we can work together to provide any necessary support. Our school **gates open at 8:40am and close at 8:50am**.

365 Penguin Number Day - 6th February 2026

To celebrate number day, the whole school is having a 365 Penguins Day. Your child may come to school wearing black and white... or dress up as a penguin if they wish.

Weekly Debate

Each week we publish a question which can be discussed in class/school.

When a powerful country like the US, says it wants to take control of a place like Greenland, who should have the final say over that territory's future: the people who live there, the government that runs the country, or the powerful nation making the claim?

Writing

We are aiming to hold a writing workshop in school on Friday 6th February—explaining how we teach writing across the school through our Literacy Counts scheme. We will combine this with a PE session too -details will be posted on the school app.

Musician of the Month - JANUARY 2026

Every month is a new opportunity to see what musician we are learning about this month in school.

LUDWIG VAN BEETHOVEN

About: Ludwig van Beethoven (17th December 1770 – 26 March 1827) was a German composer and pianist who remains one of the most admired composers in the history of Western music; his works rank among the most performed of the classical music repertoire and span the transition from the Classical period to the Romantic era in classical music. In his early period, he forged his craft whilst his middle period showed an individual development from the styles of Haydn and Mozart. During this time, he began to grow increasingly deaf. In his late period, he extended his innovations in musical form and expression.

Letter from Mr Anderson

Dear Parents and Carers,

What a lovely week in school in which I am delighted to share some recent highlights. Our pupils have been demonstrating remarkable dedication, particularly in their writing across all year groups from Nursery to Year 6—this has been wonderful to witness in each class.

On Monday our children were lucky to have enjoyed two engaging Mad Science Assemblies that have undoubtedly sparked curiosity and enthusiasm amongst them. We were also fortunate to have Alan Ellis visit our Year 6 class to deliver an important segment of our Computing Curriculum, enriching our pupils' learning experience in this area.

Again our school community continues to be blessed by Sister Bridget's visit to our Upper Key Stage 2 classes, where she spoke about Mission, reinforcing our school's Catholic values.

I am particularly proud to celebrate some of our Year 4 pupils' achievement in reaching the Quarter Finals of the Dodge Ball competition in Knowsley. Their remarkable effort and infectious enthusiasm were truly inspiring, demonstrating the spirit of teamwork and determination that we try to instil at school.

For detailed information about upcoming dates and events, I kindly request that you refer to the dates listed on the back of this newsletter. Have a lovely weekend everyone and we look forward to seeing you all again on Monday.
