MY GAME GRAPHICS

This is pidgeon and in the game he quacks every 10 sec. For him to go forward you just press the screen. He doesn't have a super power because it's crossy road.

My main character

Alan Ellis worked with Year 6/5 this week. They used coding to create their own game in the style of Crossy Roads.

Parking in the local area

The Highways Agency has been in contact with our local councillor Megan Dever, who has recently informed school that they have received numerous complaints regarding parents parking across resident driveways and also using The Rooley, which is permit parking only.

Can we ask for support to work together in keeping peace in our local community.

If we could encourage families to walk to school and to also make use of the new path connecting Twickenham Drive and Acacia Avenue.

Persistent Lateness

Consistent lateness means your child is missing key teaching time, which can affect their progress and confidence in learning. Research and national guidance highlight that pupils who arrive late regularly are at risk of falling behind their peers.

We kindly ask for your support in ensuring that your child arrives at school on time every day. If there are any challenges affecting punctuality, please contact us so we can work together to provide any necessary support. Our school **gates open at 8:40am and close at 8:50am.**

365 Penguin Number Day - 6th February 2026

To celebrate number day, the whole school is having a 365 Penguins Day. Your child may come to school wearing black and white... or dress up as a penguin if they wish.

LUDWIG VAN BEETHOVEN

About: Ludwig van Beethoven (17th December 1770 – 26 March 1827) was a German composer and pianist who remains one of the most admired composers in the history of Western music; his works rank among the most performed of the classical music repertoire and span the transition from the Classical period to the Romantic era in classical music. In his early period, he forged his craft whilst his middle period showed an individual development from the styles of Haydn and Mozart. During this time, he began to grow increasingly deaf. In his late period, he extended his innovations in musical form and expression.

Letter from Mr Anderson

Dear Parents and Carers,

I am pleased to share recent developments from our school. This week, Alan Ellis visited our Year 5 and Year 6 pupils, providing an enriching educational experience through his computing lessons.

We commemorated St Agnes Day (Patron Saint of our Parish) on Thursday in school reinforcing our Catholic ethos.

Many families will have noted that we have invested in new storage for our Opal Play—this is to support outdoor learning and provide storage for wellingtons and waterproofs.

After three weeks back in school, after the Christmas break, it is so nice to see how the children have settled back into school routines.

I encourage all our parents/carers to review upcoming event dates in the newsletter. Have a lovely weekend everyone and we shall see you all again on Monday.

Warmest regards,

Mr L Anderson
Head Teacher
