### SATs Year 6 Reminder

This is just a reminder for families that children in Year 6 (cohort) will have their SATs this year, as a result the best possible attendance is extremely important.

### Promoting Healthy Habits at St Anne's Catholic Primary School

As part of Knowsley Healthy Schools, St Anne's is proud to promote healthy lifestyles for our children. We are focusing on encouraging pupils to make healthy choices every day, from staying active to enjoying balanced meals. By working together, we are helping our children develop positive habits that support their wellbeing now and in the future. If your child takes packed lunch to school please ensure it is healthy.

#### Breaktime Snacks

- EYFS and KS1 pupil receive complimentary fruit or vegetable snacks
- Pupils across all year groups are welcome to bring fresh fruit or vegetables during break
- This initiative encourages healthier eating habits and helps maintain a clean school environment

#### Hydration and Sustainability

- We kindly request that each pupil brings a small reusable water bottle daily
- This practice supports pupil hydration throughout the school day
- By using reusable bottles, we are collectively reducing single-use plastic waste

### Career Aspirations

On Thursday 26th and Friday 27th February we are looking to invite parents in to speak to the children about their job roles/careers. We want to spark our children's curiosity and build their awareness into the world of work. If you are interested in speaking to the children please contact the school office.

### Persistent Lateness

Consistent lateness means your child is missing key teaching time, which can affect their progress and confidence in learning. Research and national guidance highlight that pupils who arrive late regularly are at risk of falling behind their peers.

We kindly ask for your support in ensuring that your child arrives at school on time every day. If there are any challenges affecting punctuality, please contact us so we can work together to provide any necessary support. Our school **gates open at 8:40am and close at 8:50am**.

### Online Safety Newsletters

Our Online Safety Newsletters can be found on the app and on our website:

## ATTENDANCE

Dear Parents and Carers,

We would like to remind you that all student absences must be reported to the school on each day of absence. If an absence is not reported, it will be recorded as unauthorised in line with attendance regulations.

We would also like to emphasise the importance of punctuality. Arriving late to school results in the loss of vital learning time, can be disruptive to lessons, and may affect a child's ability to settle into important morning routines. For example, being 10 minutes late every day adds up to almost a full week of learning lost over a school year.

To help illustrate the impact of absences and lateness, please see the table below:

Attendance/Lateness	Approx. Learning Time Lost
10 minutes late every day	1 week per year
20 minutes late every day	2 weeks per year
1 day absent per month	2 weeks per year
2 days absent per month	4 weeks per year
1 day absent per fortnight	2.5 weeks per year

Please note that where a student's overall attendance falls below 90%, absences due to illness may be marked as unauthorised unless appropriate medical evidence is provided.

Examples of acceptable medical evidence may include:

- A doctor's appointment card or letter
- A medical note, prescription, or hospital appointment confirmation

Evidence of attendance at a walk-in centre, GP surgery, or pharmacy consultation

We understand that children may occasionally be unwell, and our aim is to work in partnership with families to support good attendance, punctuality, and consistent routines, which are essential for academic progress and wellbeing. If you have any questions or are experiencing ongoing medical or attendance concerns, please contact the school so we can offer support.

Thank you for your cooperation and continued support.

Kind regards,

School Attendance Team.

### Bike Safety: Keeping Our Pupils Safe

Riding your bike to school is great for health and the environment – but safety comes first!

Please remember to:

- **Wear a helmet** every time you ride.
- **Follow the Highway Code:**
  - Ride on the correct side of the road or cycle paths.
  - Obey all traffic signs and signals.
  - Ride carefully and at a safe speed.
  - Be aware of pedestrians and other road users.

**Use bike lights and reflective clothing if riding in low light.**

**Parents and carers:** Please talk to your child about these safety rules and help them understand the importance of safe cycling.

**Together, we can keep our children safe on the roads!**

### Breakfast Club and Wraparound Club

Please be aware if you book Breakfast Club and Wraparound Club and your child does NOT attend you will still be charged—so please cancel to avoid this charge via the app or by calling the office. We would like to remind parents that should you incur charges over £12.50 for Breakfast Club and £50.00 for Wraparound your account will be locked until the debt has been paid, many thanks for supporting us with this matter.

## Letter from Mr Anderson

Dear Parents and Carers,

As we approach the half-term break, I am pleased to share several important updates from St Anne's Catholic Primary School. This week has been particularly meaningful, with our commitment to pupil well-being and community taking centre stage.

On Tuesday, we marked Safer Internet Day, welcoming PC Hazel who provided valuable insights into online safety for our pupils. We also dedicated time to celebrating children's mental health, emphasising the importance of pupils feeling safe, valued, and connected with in our school community.

Our St Valentine's celebrations have brought joy and excitement, with school discos creating memorable moments for our pupils—thanks to our staff and PTA for this. As we prepare to finish for half term today, I am delighted to announce that a new cycle of extra-curricular clubs will open for booking on Saturday morning.

Looking ahead, we are preparing for the start of Lent, a time for reflection and spiritual growth. We encourage pupils to consider their Lenten Promises starting in Half Term. Throughout Lent and in the build up to Holy Week we will invite parents/carers into school for a Prayer and Liturgy for each cohort. During Lent we will also be raising money for CAFOD.

Wishing you all a restful half-term break.

Warmest regards,

Mr L Anderson  
Head Teacher
